June 1, 2020

Effective June, 2020, the Licking County Engineer's Office will open to the public. The staff will be following guidelines and requirements set by our state government and health officials as we re-open our office. Masks or face coverings are recommended to be worn, and safe distancing practiced when conducting business within the Licking County Engineer's Office.

As we continue to monitor the ever-changing COVID-19 situation we ask, when possible, to please fax or email all permits, deeds, etc. to EFB@LCOUNTY.com or (740) 670-5295.
